| Everything is wonderful! |
| So beautiful! Thank you. |
| People are very friendly, our hostess was very helpful and friendly. The region is so beautiful, especially the river Savinja. Everything is nice. But: the car drivers drive too fast and when they make short stops they dont turn off the engine. |
| The hiking trails are not well marked. |
| We enjoy the traditional feel of the region. The harmony between nature and people and tradition you feel when visting this region. |
| First, i really like it here: beautiful surroundings, nice restaurant, great fishing and relaxing. It would be nice if you had a website with a specific weather forecast. |
| Hospitality of our farm + more information on: where to access the river to play and bath, where to find small walking paths, bike rental for children. |
| Everything was allright. i was really surprised to find this place. |
| It is really nice that you bring us food when we arrive & yesterday the lovely dessert! Thank you - we enjoyed it very much! |
| Nice people, very clean, very solid, high quality. |
| Everything was great. very comfortable. :) |
